

Husqvarna Soff-Cut 150

The Husqvarna Soff-Cut 150 saw is designed for residential and light commercial applications. The lightest gas saw in the Soff-Cut range, the 150 is designed for ease of use and convenience. Features include a patented low noise blade enclosure which allows the unit to be used in residential areas with minimal disruption. In addition, the low-dust blade block system allows the saw to cut dry, and it controls the debris for easy cleanup.

Engine

Output power (As rated by the engine/motor manufacturer)	5.5 hp
--	--------

Starter	Recoil
---------	--------

Dimensions

Weight	87 lbs
--------	--------

Product size length	68 in
---------------------	-------

Product size height	33.5 in
---------------------	---------

Cutting equipment

Blade depth control	Manual
---------------------	--------

Cutting depth, max	1.18 in
--------------------	---------

Blade diameter, max	6.5 in
---------------------	--------

Features for Soff-Cut 150

Soff-Cut® technology

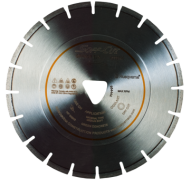

Husqvarna Soff-Cut is a unique patented system for early entry concrete sawing. This technology enables concrete to be cut within the first one or two hours of finishing and before final set. Husqvarna Soff-Cut® provides the best solution for minimizing the risk of random cracking, and it simplifies the working process, compared to conventional sawing.
