5KE

ITEM NUMBER:
PDG.5000.03

The SASE® PDG 5000 floor grinder is great for small to medium range projects. It is small enough to get into those tight spaces but heavy enough to produce a great polish and removal of tough coatings. It is the perfect machine for contractors getting into the polishing or coatings industry.

TOP FEATURES:
Completely sealed head means the PDG-5000 can stand up to the toughest jobs, even with excessive dust or slurry. It has three flexible, powerful heads providing three points of contact to best follow the contour of the floor.

TECHNICAL DATA:

- Single Phase, 230 Volt, 30 AMP
- Output: 5 HP (3.7 kW)
- Variable Speed: 850 - 2000 RPM
- Machine Head: (3) 7” Heads
- Grinding Width: 20” (508 mm)
- Grinding Pressure: 270 lbs (123 kg)
- Machine Weight: 400 lbs (182 kg)
- Dimensions (L x W x H): 56” x 21” x 40” (Operation) (1422 x 533 x 1016 mm)
